ELINOR
Hi, Rudy!

RUDY
(shy)
Hi.

Rudy nods shyly as Elinor looks at all the pastries in the case.

RUDY
(quietly)
Hey, Elinor... I like to eat peach
pancakes for breakfast too.

ELINOR
Yeah, those are soooo... wait, how
did you know I ate pancakes with
peaches today?

An amazed Olive and Ari run over to Rudy.

OLIVE
Can you tell what I ate for
breakfast, Rudy?

Rudy takes a deep breath.

RUDY
A grapefruit and a muffin.

We see by the look on her face that Olive is amazed, she
nods, <SFX: UH-HUH, WHOA!>, as Ari steps up, excited!

ARI
Ooh! Do me next! What did I eat?

Suddenly, Rudy smiles and begins to come out of his shell a
bit. He then takes a deep breath through his nose.

RUDY
And you had... a banana, orange
juice, toast, pancakes, and...
(sniffs again)
A baked potato?

ARI
Wow! You must be a magician. You
should be called...
(big fanfare)
The Great Rudini!!!

Rudy <SFX: CHUCKLES>

ELINOR

Rudy, that is soooo interesting! How do you know what we ate?

RUDY

Actually... pigs have a really good sense of smell, especially when it comes to food, even if it's hidden, like...

(sniffs)

The raisins in Ari's pocket.

OLIVE

We elephants are pretty good at smelling with our trunks from far away too, like that delicious...

She and Rudy <SFX: LONG SNIFF>. They look at each other.

OLIVE/**RUDY**
